EXPERIENCE

Urban London

Graphic Designer 2025 – PRESENT

- Design product images and visual content for Amazon listings, including storefront banners, infographics, and brand-story creatives.
- Built an asymmetric luxury Amazon storefront banner using diagonal gradients and embossed brand typography, improving brand consistency across listings.
- Manage multiple concurrent design projects while maintaining brand guidelines and delivery timelines.

Women's Rights First (WRF)

Digital Marketing & AI Fellow 2026 – PRESENT

- Complete a structured fellowship curriculum covering personal branding, content marketing, social media, email marketing, and analytics.
- Produce full mock marketing campaigns (blog posts, Instagram carousels, reels, email flows, and written strategy) for practice brands, e.g. an H&M "Denim, Redefined" campaign.
- Earned certifications in Google Analytics and HubSpot Social Media Marketing; apply AI tools (Anthropic's 4D framework: Delegation, Description, Discernment, Diligence) to content workflows.
